Ceremonies

Stone Manor Hotel has been granted a licence to hold civil wedding ceremonies in the Wing Room, Patio Suite, Garden Room, Manor Suite and Woodlands Suite. For further information please read the relevant section contained within this booklet.

Facilities

- THE MANOR SUITE:** Our largest suite, which comfortably seats 80 – 180 persons for the main wedding reception and up to 199 for an evening reception.
- THE GARDEN ROOM:** Overlooking the grounds of the hotel, the Garden Room is ideal for parties from 70 – 120 persons for the main reception and up to 170 for the evening reception.
- THE PATIO SUITE:** This suite overlooks the Rose Garden and swimming pool area and is suitable for parties from 50 – 90 persons for the main reception and up to 120 for the evening reception.

All the above suites have dance floors, for which suitable entertainment can be arranged on your behalf.
- OAK ROOM:** Private dining room within Fields Restaurant. Suitable for up to 25 persons for a day reception departing by 6.00pm.
- CAKESTAND & KNIFE:** These are available if required.
- FLOWERS:** A posy for the Top Table and for each guest table is included in the package tariff. Extra arrangements may be ordered on request.
- TABLE PLAN:** It is necessary to produce a display table plan, maximum size of 2ft x 3ft, with placecards. We also require a rough tableplan, including the position of children, highchairs, vegetarians etc. All plans must be delivered on the Monday prior to your wedding day. Every assistance will be given to advise you on this matter. As a guideline, the following maximum capacity, when using round tables is:

Patio Suite – 70 persons: Garden Room – 90 persons: Manor Suite – 140 persons.

If your numbers exceed the above, you will have to consider using oblong style tables as opposed to round tables.
- ACCOMMODATION:** For special discount rates and procedures on how to book accommodation for your guests. Please refer to the discount page, contained with this pack of information.
Check-in time: from 3.00pm
Check-out time: latest 11.00am
- CAR PARKING:** Ample car parking is available at the front of the hotel.
- GARDEN AREA:** We are proud of our excellent gardens and landscaped lawns and would recommend the use of this facility for wedding photographs. Each suite has access to a garden area, the Rose Garden, Walled Garden and extensive lawns offering beautiful backdrops of the Worcestershire countryside and the Tudor style building which is Stone Manor Hotel. Please advise your guests that only bio-degradable confetti maybe used in the grounds.
- GUEST ARRIVAL PROCEDURE:** After receiving your guests and welcoming them with a reception drink, the photographer will conduct the photo session in the grounds of the hotel.
- INSURANCE:** We would advise that you consider taking out private insurance to cover your wedding day. In particular covering any wedding gifts presented to you, for loss or damage, as the hotel cannot accept responsibility for such items whilst on the hotels premises.

The Perfect Reception

At the Reception the usual line-up waiting to greet the guests is as follows: the bride's parents, followed by the bride & groom, then the bridegroom's parents and lastly the bridesmaids and the best man.

This line-up ensures that both families have the opportunity to speak to all guests, but, conversation should be kept to a polite minimum as the queue can become unwieldy.

Most receptions begin with an aperitif of sherry or champagne served before the meal. Including non-alcoholic alternatives for children and those who are driving.

After receiving guests, the photographer will arrange your party in the garden adjacent to your reception room.

Toasts and Speeches

These would normally take place at the end of the meal following the cutting and distribution of the wedding cake, which usually would take place before serving of the dessert course.

The following is the usual order of proceedings.

1. The bride and bridegroom cut the cake.
2. Toast to "The bride and bridegroom".
This is normally proposed by the bride's father or a close relative or friend of the family.
3. Toast to "The bridesmaids". This is always proposed by the bridegroom following his response to the first toast.
4. The best man would then respond to the bridegroom's speech on behalf of the bridesmaids. He would also read the telegrams to the guests.
